

3 February 2020

Prime People plc
("Prime People" or the "Company")

Directorate Change

Prime People (AIM: PRP), announces that Simon Murphy is stepping down as a Non-executive Director of the Company with immediate effect. Simon is CEO of Battersea Power Station Development Company and given the significant activity and progress at the development has decided it is appropriate to focus on his executive role at this time.

Robert Macdonald, Executive Chairman, said:

“Simon has been a great support and a wise counsel for Prime People for many years. We will miss him and wish him every success in the future”.
